Planning and Environment Act 1987 Mildura Planning Scheme Notice of Preparation of Amendment

Amendment C96 Authorisation A03274

Council has prepared Amendment C96 to the Mildura Planning Scheme.

The amendment has been requested by Spiire Australia Pty Ltd on behalf of the Department of Health and Human Services (DHHS).

In accordance with section 8A(3) of the Planning and Environment Act 1987, the Minister for Planning authorised the Mildura Rural City Council as planning authority to prepare the amendment.

The amendment applies to land at the rear of 107-111 Twelfth Street, Mildura.

The amendment proposes to rezone the land affected by the amendment from Public Use Zone 2 to Public Use Zone 3 and apply the Vegetation Protection Overlay along the north and western boundaries. The rezoning will reflect the change in type of public ownership of the land and in turn facilitate the development of a Prevention and Recovery Centre (PARC).

Any person who may be affected by the amendment may make a submission to the planning authority. Submissions must be made in writing giving the submitter's name and contact address, clearly stating the grounds on which the Amendment is supported or opposed and indicating what changes (if any) the submitter wishes to make.

In accordance with the Planning and Environment Act 1987, Council must make available for inspection a copy of any submission made.

The closing date for submissions is 23 May 2016.

Please note the following applies in relation to the above planning documents:
