## PUBLIC NOTICES

### How can we create an Age-friendly Community?

By the year 2031 it is estimated 29% of our local population will be aged 60 years and over.

We want to make sure our community is prepared to support our ageing population and to give them the best quality of life possible.

How do you think we can do this? We're calling for ideas for projects that encourage:

- Active ageing
- Health and wellbeing
- Social connectedness

You can share your ideas by calling us directly or completing a short online survey at [www.mildura.vic.gov.au/haveyoursay](http://www.mildura.vic.gov.au/haveyoursay)

We're also looking for people to join an Advisory Group to help implement future projects.

Please contact us with your ideas by calling our Aged and Disability Services team on (03) 5018 8234.
