Public Notices

Is your property an unsightly or a fire hazard?

The warmer months are fast approaching, and so is the start of the Fire Danger Period for our region. It's important that everyone does their part to prepare and reduce the risk of fire.

Our district has seen significant rainfall this year, which has led to an increase in vegetation and therefore a higher fire risk when the weather heats up.

All property owners are required to keep their properties free from fire hazards including clearing properties of long vegetation, rubbish and unused materials.

Council Officers will soon begin inspecting properties across the municipality. Penalty notices can be issued to landowners who do not carry out required clean-up work.

To report a concern, please contact 03 5018 8100. For more information visit Council's website.
