Friendly volunteers and staff then exchange your items on Monday mornings on a regular basis – all FREE of charge, direct to your door.

Is your property an unsightly or a fire hazard?

The warmer months are fast approaching, and so is the start of the Fire Danger Period for our region. It's important that everyone does their part to prepare and reduce the risk of fire.

Our district has seen significant rainfall this year, which has led to an increase in vegetation and therefore a higher fire risk when the weather heats up.

All property owners are required to keep their properties free from fire hazards including clearing properties of long vegetation, rubbish and unused materials.

Council Officers will soon begin inspecting properties across the municipality. Penalty notices can be issued to landowners who do not carry out required clean-up work.

To report a concern, please contact 03 5018 8100. For more information visit Council's website.

Local Government Community Satisfaction Survey

Council would like to inform residents that from Thursday 1 September 2022 for a period of up to four weeks, your household may receive a phone call from an independent market research agency, National Field Services.

They have been commissioned to conduct a community satisfaction survey on behalf of Council. This survey has been designed to assess the performance of Mildura Rural City

Council across a range of services to identify opportunities for improvement and more effective service delivery to residents.

The survey will involve one hundred and fifty interviews conducted with a representative sample of residents each quarter.

We appreciate you taking the time to assist us with your valuable feedback.

Please be assured that your details and individual responses are confidential. Only the overall results are shared with Mildura Rural City Council. If you have any questions, please contact us on 5018 8100.
