

ATTEND A 2023 KINDERGARTEN OPEN DAY

Mildura Rural City Council

All children who turn 3 or 4 by 30 April 2023 are eligible to attend a kindergarten program in 2023, either two years or one year prior to school. Kindergarten is an important step in every child's journey of lifelong learning. At kindergarten, children learn, play and develop their skills in preparation for school.

Look for the kindergarten tick. Contact your local kindergarten or visit an upcoming open day to learn more. COVID Plans may restrict how many families can visit at one time. You can also call Mildura Rural City Council on 03 50188100 or email kindergarten@mildura.vic.gov.au for enrolment information.
