

Supported Playgroups

What is a Supported Playgroup?

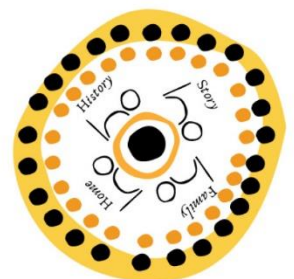

They are free playgroups run by facilitators who provide a safe and welcoming space for children aged 0-5 years old. Each playgroup is unique, they may do activities such as storytime, cooking, free play, arts, craft or music.

How does my child benefit?

Playgroups are a great way for children to learn about the world, make friends and develop social skills. Playgroups give mums, dads, grandparents and caregivers a chance to share ideas and experiences.

What if I don't enjoy the playgroup?

We are very fortunate in Mildura to have a number of playgroups to choose from. Most playgroups allow for you to 'come and try'. Community playgroups are also available in your region. For more information go to www.playgroup.org.au/FindaPlaygroup.aspx
