

Mildura Eco Village—Are you interested in a garden bed?

If you are interested in hiring a bed in the community garden, somewhere to grow vegetables, fruit, herbs and flowers, and share in the garden community, please fill in the form below.

The COVID restrictions have impacted everyone in the community, and this includes the garden as well.

Please include the garden bed of your choice, and we hope to be able to provide your preferred bed when we consider all the requests for garden beds. If there are beds left over, these will be offered to gardeners who have already requested a bed and paid their annual fee to SSN. If you are a first time gardener, free membership of SSN is also required.

Please contact: The Environmental Education Officer at Mildura Rural City Council if you have any questions
(03) 5051 8100

There is an annual fee for each bed you're allocated, which **MUST** be paid before you start.

The management and operations of the Mildura Eco Village is clearly outlined within the garden guidelines which is available upon request or via the link below:

<https://www.mildura.vic.gov.au/Council-Services/Environmental-Sustainability/Mildura-Eco-Village/Community-Garden>

Full vaccination is required to enter the site.

If your application is successful, the garden guidelines will be the terms and conditions by which you and each member who wishes to participate in the Mildura Eco Village raised gardens beds and community on-ground bed, so please make sure you have read and understood the garden guidelines before signing this application form. Please complete this form and return to:
