### Have your say on Draft Road Safety Strategy 2023-2030

Council is working with residents across the municipality to provide feedback on our Draft 2023-2030 Road Safety Strategy.

The Strategy identifies Council overarching goals and priorities, while aligning with the new Victorian Road Safety Strategy 2021-2030.

Council is continuing to adopt a Safe System approach to road safety in both the way road safety is viewed in the community and managed on our roads.

The Strategy also outlines actions Council will aim to achieve between 2023 and 2030.

The draft 2023-2030 Road Safety Strategy is now available for public feedback. Share your thoughts by visiting yoursay.mildura.vic.gov.au/MilduraRoadSafety Feedback closes 5pm, Monday 10 April 2023.

### Proposed speed limit change – Nichols Point

Council is seeking public feedback regarding a proposed change in the speed limit for areas in and around Nichols Point.

The areas under consideration include Eleventh Street, Cureton Avenue, Ginquam Avenue, Belar Avenue and Dewry Avenue.

The proposed reduction in speed limits follows resident and motorist concerns, with Council receiving several reports of near misses and safety concerns.

The area has also undergone changes, with residential properties now more prominent.

Council has carried out a safety assessment which looked at crash data and common safety trends and is planning to apply to the relevant minister through the Department of Transport & Planning to reduce the speed limits in these areas.

You can visit yoursay.mildura.vic.gov.au/SpeedLimitChange to find out more about the proposal and complete a short survey to have your say.
