Merbein Skate Park Extension – Concept Plan consultation

Mildura Rural City Council is working with the Merbein Development Group to consider a concept plan to extend the Merbein Skate Park at Chaffey Park.

The proposed concept aims to add to the

existing skate bowl, implementing beginner and intermediate skate elements, berm pockets and pump bumps for bikes and scooters. Shade and seating will also be included in the extension.

Council is seeking community feedback about the concept plan to help us determine if there is support for this project.

Visit yoursay.mildura.vic.gov.au/MerbeinSkatepark to have your say by completing a short survey and to view the concept plans in full.

Feedback closes 5pm, Friday 28 April.

Help inform our Integrated Transport and Land Use Strategy

Do you live, work or visit the Mildura Local Government Area? We're calling on you to help inform our new Integrated Transport and Land Use Strategy (ITLUS).

The strategy will identify ways our transport network can improve access to destinations such as workplaces, education institutions, health services, recreation facilities like sporting ovals, walking tracks etc, social activities and shopping precincts. Tell us where you need to go!

It will look at the current state of:

- Public Transport
- Road network
- Truck routes
- Pedestrian and cycle paths
- Other modes of transport

Have your say by completing a short survey at yoursay.mildura.vic.gov.au/ITLUS
Feedback closes 10 May.

Future-proof your business against rising energy costs

Mildura Rural City Council, Better Building Finance and Mildura Regional Development are partnering together to help local businesses future-proof themselves against rising energy costs with a free information and networking event in May.

The event will provide attendees with information on how to improve their profitability and sustainability in the face of ongoing energy cost increases and market volatility.

The event will be held at Fossey's Distillery from 3pm to 5pm, Thursday 18 May.

To register visit bit.ly/FPYBREC or call Jay Smith, Energy and Water Innovation Officer on 03 5018 8100. Light refreshments will be provided.
