Local Government Community Satisfaction Survey

Council would like to inform residents that from Monday 22 January to Monday 18 March 2024, your household may receive a phone call from an independent market research agency, National Field Services.

They have been commissioned to conduct a community satisfaction survey on behalf of Council. This survey has been designed to assess the performance of Mildura Rural City Council across a range of services to identify opportunities for improvement and more effective service delivery to residents.

The survey will involve one hundred and fifty interviews conducted with a representative sample of residents each quarter.

We appreciate you taking the time to assist us with your valuable feedback.

Please be assured that your details and individual responses are confidential. Only the overall results are shared with Mildura Rural City Council.
