Public Notices

Change of Speed Limit – Ontario Avenue, Walnut Avenue and Riverside Avenue

Motorists are advised that a new speed limit is now in place for the following locations:

- New 60km/h speed limit along Walnut, Ontario and Riverside Avenues between Sixteenth and Seventeenth Streets
- New 80km/h speed limit along Walnut, Ontario and Riverside Avenue between Seventeenth Street and Dow Avenue

The new speed limits bring these areas in line with other nearby roads, while also improving safety for motorists, cyclists and pedestrians.

The change was made following extensive consultation with nearby residents and other stakeholders, followed community concern following the growing number of residential properties in the area.

For more information regarding this change please contact Traffic and Transport Engineer, Sanam Chhusyabaga on 03 5018 8100.

Request a tree ahead of tree planting season

Council is currently planning for the 2024 tree planting season. Could your neighbourhood use a bit of greenery? Request a tree before the end of February 2024.

Street trees, garden beds and landscaping are important components of our public spaces, bringing aesthetic, environmental and practical benefits.

Council's teams maintain plantings in median strips, roundabouts and tree bays as well as those in public parks, reserves and playgrounds.

Want to request a tree in 2024? Use the online request form at <https://bit.ly/41uVGxc> or call us on 03 5018 8100.

Rio Vista Park Toilet Block works

Council is transforming Rio Vista Park into a thriving, active outdoor community space.

The works, which have been made possible thanks to \$268,341 from the Victorian Government's Community Crime Prevention Program, commenced in 2023, and are expected to be completed early this year.

The next major stage of the works will see the Rio Vista Park toilet block demolished and then replaced with a new facility.

The toilet block will be closed from 22 January 2024, with demolition set to commence on 29 January, and construction of a new, safer and better positioned facility to commence in February.

- The project will also deliver:
- CCTV cameras
 - New tree plantings
 - Reactive Public Lighting and new Pathway Lighting
 - Linkages to the nearby Off Leash Dog Park
