Help inform the Irymple Low Density Residential Development Plan

We're seeking feedback to help inform the Irymple Low Density Residential Developmental Plan.

A Draft Issues and Opportunities Paper is now ready for public comment. This Paper is the first step in preparing the Development Plan.

Once complete, the Development Plan will guide the design of future subdivisions, ensuring they include well-connected

roads and pedestrian access, open space and drainage.

Residents are encouraged to have their say by completing a short survey, or by attending a Community Drop-In session on Monday 15 April 2024.

More information is available at yoursay.mildura.vic.gov.au/ILDRDP

Online feedback closes on Monday 22 April 2024.

Have your say on Draft Urban Forest Strategy

Council is seeking feedback on our Draft Urban Forest Strategy.

The Strategy aims to increase the overall tree cover in our urban areas to 30 per cent by 2024, while developing partnerships with landowners and businesses to green the public realm and reduce the heat bank effect.

Increasing tree canopy in our local parks, streets and neighbourhoods will provide much needed shade and shelter from heat, improve our air and water quality, improve health and wellbeing, and build our resilience to climate change.

Our Strategic Planning team will be at The Alfred Deakin Centre on Sunday April 14 2024 from 10am to midday to discuss the Urban Forest Strategy and collect feedback.

Those interested can also share their thoughts at yoursay.mildura.vic.gov.au/UFS until Friday 19 April 2024.
