### Feedback sought on MEGA Strategic Framework Plan

Development of the Mildura East Growth Area (MEGA) Strategic Framework is entering its next exciting stage, with Mildura Rural City Council seeking feedback on both the MEGA Framework Plan, and a Stormwater Management Strategy for the study area.

The Mildura East Framework Plan sets objectives and actions that will shape how land identified in Phase 2 (Vision & Key Directions Report 2022) for future residential and larger lifestyle lots between Mildura, Irymple and Nichols Point will develop.

A Stormwater Management Strategy has now been finalised for the MEGA and is on exhibition with the draft Framework Plan.

View both documents and have your say online at [yoursay.mildura.vic.gov.au/MEGASFP](http://yoursay.mildura.vic.gov.au/MEGASFP) before 10 May 2024.

### MSP Carpark expansion works

Works to expand the Mildura Sporting Precinct carpark are currently underway.

Works are expected to be completed over a five-month period and will be undertaken in a staged approach to minimise the impact on users.

Once complete, the works will add more than 350 additional sealed carparks on site.

Existing overflow parking may be affected. Patrons are encouraged to follow signage in place throughout this time.

Alternative arrangements may be in place for individual events, details of which will be shared closer to their respective dates.

We thank regular users and the wider community for their patience, understanding and cooperation while these works are carried out.
