MSP Carpark expansion works

Works to expand the Mildura Sporting Precinct carpark are currently underway.

Works are expected to be completed over a five-month period and will be undertaken in a staged approach to minimise the impact on users. Once complete, the works will add more than 350 additional sealed carparks on site.

Existing overflow parking may be affected. Patrons are encouraged to follow signage in place throughout this time. Alternative arrangements may be in place for individual events, details of which will be shared closer to their respective dates.

We thank regular users and the wider community for their patience, understanding and cooperation while these works are carried out.

2024 Mildura Planning Scheme Review

Round 1 Community Engagement Council has appointed a consultant team led by Plan2Place to undertake the 2024 Mildura Planning Scheme Review.

The Mildura Planning Scheme is a statutory document that controls how land is used and developed within the Mildura municipality. It also helps preserve the things we love about our region. A planning scheme review is a requirement of the Planning and Environment Act 1987 and is to be undertaken by Council every four years.

The aim of the review is to assess how the Mildura Planning Scheme is performing and outline a plan to implement changes to respond to identified gaps. This will ensure the planning scheme remains up to date and responsive to changing circumstances, including shifts in government policy, community aspirations, and land use issues and trends.

Plan2Place and Council officers will be conducting in-person community consultation on the following dates:

- Friday 3 May, 2pm to 4pm
Ouyen Post Office
- Saturday 4 May, 8am to 12pm
Sunraysia Farmers Market
- Sunday 5 May, 9am to 1pm
Red Cliffs Market

Planning officers and the consultant will be available to speak to about the review and how you can be involved. We are keen to hear about your experience living in Mildura and what you would like to see in the future for the municipality.

Your comments will be collected, collated and themed to form part of a short report

that identifies key issues for the project to consider and respond to.

If you are unable to attend the pop-up sessions you will be able to share your thoughts through an online survey at yoursay.mildura.vic.gov.au/PSReview24 after Friday 3 May 2024.

Feedback sought on MEGA Strategic Framework Plan

Development of the Mildura East Growth Area (MEGA) Strategic Framework is entering its next exciting stage, with Mildura Rural City Council seeking feedback on both the MEGA Framework Plan, and a Stormwater Management Strategy for the study area.

The Mildura East Framework Plan sets objectives and actions that will shape how land identified in Phase 2 (Vision & Key Directions Report 2022) for future residential and larger lifestyle lots between Mildura, Irymple and Nichols Point will develop.

A Stormwater Management Strategy has now been finalised for the MEGA and is on exhibition with the draft Framework Plan.

View both documents and have your say online at yoursay.mildura.vic.gov.au/MEGASFP before 10 May 2024.
