Mildura Rural City Council

The location

Mildura has a long history of hosting events of all sizes in our region. The Mediterranean climate and riverside location Mildura enjoys provides the perfect backdrop for your event. Our beautiful city boasts almost year-round sunshine, coupled with a diverse array of accommodation, venue and hospitality options. Mildura Rural City Council has supported events to the region for more than 20 years. Annually, a number of organisations visit Mildura for their event.

With the backdrop of the Murray River, there are few better locations or facilities of this significance in our community. Nowingi Place is a multi-purpose venue that can be used for small scale performances, concerts, community and other events such as Mildura Carols by Candlelight or large events such as the Triple J One Night Stand held in 2014.

Conveniently located near the border of three states, an hour's flight from two major metropolitan centres and enjoying full suite of services and venues close by, Mildura is the perfect location for your event. Mildura is also supported with significant interest and patronage by the communities surrounding our regional city such as Broken Hill, Renmark and the Riverland, Balranald and towns along the Mallee Track.

Nowingi Place

The venue includes a 12m x 10m stage, back-of-house facilities including toilets, storage and performer's facilities and space for up to 4,250 seated patrons and up to 15,000 in total. More than 600 parking spaces are also available around the venue. The Nowingi Place site boasts in excess of 50,000 square meters of manicured lawns and parkland.

Local Suppliers

Below is a list of local suppliers that can help you develop and deliver your event plan for your event at Nowingi Place.

Traffic Management

Managing traffic at organised public events is an important part of ensuring the workplace is without risks to health and safety. Vehicles and powered mobile plant moving in and around, reversing, loading and unloading at an event site create a serious risk of death and injury to workers and participants, patrons and volunteers.

Event Medical Services

Having inadequate First Aid coverage can expose you to risk of financial liability and reputation damage. In your best interests, Mildura Rural City Council will require proof that an appropriate level of First Aid is provided at an event. Event Organisers have a duty of care to patrons and staff to ensure that risks are appropriately managed and that professional First Aid is available onsite to cover the unexpected. Accidents can happen irrespective of the size of the event, and having event medical services ready to respond will ensure peace of mind.
