Mildura Rural City Council advises that an independent Community Satisfaction Survey will be conducted between Monday 2 February and Friday 3 April 2026.

The survey is being managed by Klein Research, with phone interviews undertaken by TKW Research. Similar surveys will be undertaken across other Victorian councils. A random selection of residents aged 18 years and over may receive a call during this period and be invited to participate. All calls will be made from a mobile phone number, and the caller will clearly identify themselves as TKW Research.

Participation is voluntary, and all responses are anonymous and confidential. Results will be reported in aggregate only. The survey is designed to gather community feedback on Council services, facilities, and overall performance. For further information, please visit Council's website or call 03 5018 8100 with any questions.
