

MILDURA CBD PLAN UPDATE

To All Interested Residents and Visitors

Join us in imagining our Mildura CBD in 2035!

What? Please join in and help us understand 1) how you experience our Central Business District (CBD) now and 2) how you want it to be by 2035.

Who? If you visit or live in the Mildura CBD, if you are a local or regional resident, who has lived here a long time or just a short time, or if you are visiting as a tourist, we are hoping you'll help us.

How? Start talking with your family, friends and neighbours now and come along with your ideas.

Why? A lot has changed since our last CBD Plan ten years ago. We've completed our wonderful new Langtree Mall, Riverfront Development Stage One and have lots more in the pipeline. Our world keeps on changing in all sorts of ways and we want to make sure we're still working on what's most important for you in the CBD.

We need as many different perspectives as possible so everyone is welcome!

2. We'll come back to you again before we begin drafting the new CBD Plan.
3. Then we'll come back with a draft Plan to make sure we are on track to achieve your vision.
4. Then, we'll need you to partner with us on this for the long term to help make it happen.
